Enrollment is determined by the number of courses taken with Raven Homeschool.

- Full time enrollment is based on a minimum of 4 courses.
- Per state regulations, 50% of the total credits taken with Raven Homeschool must be in core academic areas [Language Arts (English/Literature/Reading), Social Studies (History/Geography), Math, Science, Technology, Foreign Language/Sign Language, or courses required by a student's Individual Education Plan (I. E. P.)].

**Please complete this form and submit it to your Raven Advisory Teacher.**

Address \_\_\_\_\_ Local School District \_\_\_\_\_

*A copy of the student's course list or class schedule for the school year must be attached to this form.*

**This section must be completed and signed by a school official of the school your child is attending in your district of residence per 4 AAC 09.040(e) which states: A district enrolling a part-time student shall determine if the student is enrolled with another district. If a part-time student is enrolled in two districts, a written agreement must be entered by the enrolling districts to ensure that the student is not counted as a total of more than one full-time equivalent for purposes of the public school funding program under AS 14.17. The enrolling districts shall notify the department of the terms of agreement.**

- I confirm that our school is in agreement with the enrollment status of this student and recognize that Raven Homeschool will be claiming foundation support according to the schedule below.
- I verify that the local school district will not claim foundation support above the level indicated on the schedule below.
- I also confirm that any student enrolled in our school for 0.50 FTE or greater shall participate in state mandated testing with us (the local school district).
